CELEBRATING **60** YEARS OF EXCELLENCE

SETINA®

1 Taking Transport Seating to the Next Level Efficiency

Laboratory testing is a Critical Part of Seat Belt Design and Performance. Setina's unique Center Pull Seat Belt Systems are Professionally Designed and Laboratory tested to meet 207/210 FMVSS, Federal Seat Belt Safety Standards.

Model #12VS Rear Cargo Partition

Available with coated, Scratch-Resistant Polycarbonate or Expanded Metal.

2 Setina's "SmartBelt" System

When the belt is Buckled, the seat belt retractor is Electronically Locked in "Retract-Only" Mode. When the belt is Un-Buckled, the warning Light Activates.

The Setina Push Bumper

From our styled Original, Heavy Duty with our latest technology in "LED"s, our Superior Push Bumper Designs ensure Durability and Performance in the most extreme condition.

The Police Bike Rack with it's unique is the latest in extendable design option for Push Bumper bike transport.

5 Model #10-XL Does It All!

Based on our popular RP Series but with Xtra legroom. No rear leg or foot well obstruction. Recessed panel design, optimum for multiple weapon mounting systems and center consoles. Includes lower extension panels.
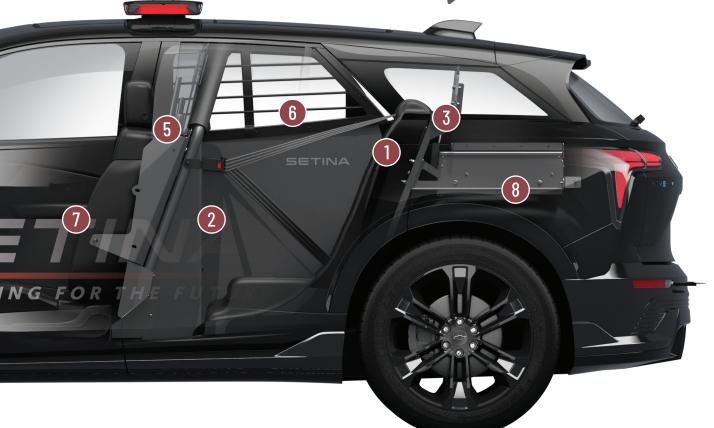

8 **Single Drawer Rear Cargo**

The Rear Cargo Single Drawer storage offers multiple tiers and configurations to meet your department's needs. The top tier provides options for locks, including keyless RFID or keylock systems.

The drawer features a slide-out equipment tray with 300 lb. capacity and lock-in, lock-out Accuride slide rails.

Window Barriers and Door Guards

Setina's® TPO Door Guards are the next generation of interior door protection. Window barriers are scratch-resistant polycarbonate or steel to fit your department's vehicle needs.

7 **Freestanding or Partition Mounted Weapons Systems**

Available with Single or Double T-Rail firearms mounting options, as well as with multiple lock configurations.

3 **The Leader in Rear Cargo Security**

Setina provides law enforcement with advanced solutions for prisoner transport. Our Rear Compartment Partitions offer secure seating, cargo storage, and electronics cooling using your vehicle's air system.

The Cargo Tray is a Category of Its Own
A Simple Way to Tackle Cargo Storage

Setina's cargo storage designs are driven by maximizing space and optimizing potential, leading to our success. The Cargo Storage Tray takes this principle further with specialized design considerations for law enforcement. It offers strategically designed space for equipment and an added layer of security for gear, mounted below the rear cargo area windows to protect against break-ins.
