

TESLA-Y FEATURED EQUIPMENT

SETINA DELIVERS ON ELECTRIC VEHICLE EQUIPMENT

1 Taking Transport Seating to the Next Level Efficiency

Laboratory testing is a Critical Part of Seat Belt Design and Performance. Setina's unique Center Pull Seat Belt Systems are Professionally Designed and Laboratory tested to meet 207/210 FMVSS, Federal Seat Belt Safety Standards

2 Setina Console Series

Our new Console for the Tesla Y series vehicles redefines the vision of the law enforcement console from the ground up. The advanced style of the new Setina console design focuses on public safety. This progressive approach to design provides the user with a comfortable workspace and organized control heads, cup holders, and other essential equipment.

3 Single Prisoner Transport Systems with Firearm Mounting Systems

Our Single Prisoner Transport Partitions provide a secure area to transport the detainee, while maximizing driver comfort and accessory storage. Advanced design includes a full roll-bar type framework for added structural support for your vehicle.

4 Firearms Mounting Systems

Setina's T-Rail Firearms Mounting Systems provide maximum adjustability and flexibility to accommodate multiple firearms and lock heads.

The "VaultLock", enclosed, one-piece, shroud and lock design provides added protection to Critical Firearm Components and is secured with Tamper Proof Security Fasteners.

5 Setina Push Bumpers Together with our Fender Guards

Setina's PB405L Series Push Bumpers offer the latest technology in "LED" perimeter lighting. The PB405L is completely factory pre-assembled and wired for quick and easy installation. High-Strength Aircraft Grade Aluminum construction for optimum fuel economy and satisfies the automakers concerns for front end weight limitations.

High-Strength, Impact Resistant Fender Protectors are the #1 Choice of Law Enforcement.
